**Tulua Organic Irish Sea Moss Gel with Blue Spirulina + Lion's Mane**

Dive into brilliance with a sea moss gel that's as vibrant as it is delicious. We've paired mineral-rich organic Irish sea moss with the oceanic superfood blue spirulina, a natural source of plant-based protein, antioxidants, and powerful phycocyanin — the blue pigment celebrated for its detox and recovery support.

We've blended in Lion's Mane mushroom, an adaptogenic favorite for clarity and cognitive wellness. All in a silky, low-sugar gel that's as versatile as it is beautiful.
